

All step-by-step videos on Imperial Bathrooms website should be used in conjunction with the written instruction manual included with the installation kit.

It is very important that all the instructions in the step-by-step videos and the installation manual be followed thoroughly.

Installation of the CleanCut Convertible™, CleanCut Door™, CleanCut Ultra-Low™ and the CleanCut Step™ requires the use of potentially dangerous tools and all work should be completed by licensed and trained professionals, or people with adequate knowledge and understanding of the installation process.

Imperial Bathrooms accepts no responsibility for any type of injury, loss or damage incurred during installation or subsequent use of the CleanCut Convertible™, CleanCut Door™, CleanCut Ultra-Low™ and the CleanCut Step™.

Failure to follow the instructions in the 9 step-by-step videos and the installation manual shall void any manufacturers warranty with respect to the CleanCut Convertible™, CleanCut Door™, CleanCut Ultra-Low™ and the CleanCut Step™.
